Thank you!

I would like to thank the congregation for all of your kindness you have shown to me on the 63 years of recognition of my years of usher service for DRE and for the fraktur that was given to me from the congregation on January 29, 2012 as a total surprise.

Thank you also for the many cards I received in a brown bag the same day. I enjoyed reading every special card and the hand written notes that were very meaningful and note worthy from each person. I am grateful to God that he allowed me to serve the church in this special way, which I enjoyed very much for the many years.

Thanks again for everything,
Harvey E. Meyers
