Deep Run East's Penny Power Project collection will run **until March 10, 2013**.

Over 1 billion people do not have access to clean water to drink! In Bangladesh, MCC is cleaning contaminated well water with sand filters. Make a donation to the MCC Penny Power project to help provide more clean water. Please bring your coins weekly. Jugs have been set around at several locations in the church building.

I would like to express my heartfelt thanks of Discover Dublin Inc. for your contribution to the Dublin Holiday Gathering on December 8, 2012 at the Fire Hall. We say thank you for being part of making this year's event as wonderful as it was. We look forward to working together in the community again next year.

Dublin Holiday Gathering Event Chairperson

Considering Professional Counseling?

If so, have you considered professional counseling as a tool in your journey of seeking Christ's healing, hope, and compassion? Just a reminder that **Deep Run East has a Professional Counseling policy** in place to encourage persons to seek, get the help they need, and to minimize the financial stress of professional counseling services. **The congregation pays 1/3 the cost of professional counseling services, and seeks coverage for another 1/3 of the cost from Everence, leaving 1/3 of the cost to be paid by the individual member.** Certain considerations and restrictions apply. If you would like further information, please pick up a sheet in the mailbox foyer area explaining our congregational policy and/or speak with Pastor Ken, or an elder.

DRE Sewing Circle
We Could Use Some More Help!

Sewing Circle meets the second Wednesday of each month from about 8:30 AM - 2:30 PM. You are invited to bring a brown bag lunch and join us for the noon meal but you are not required to spend the whole day. Knotters make comforters which are delivered to the Resource Center in Harleysville for distribution as needed around the world. If you can stick a needle through fabric and tie a simple knot, you are qualified to be a knotter. Quilters are stitching on Sewing Circle Day and there are some who stitch on most other Wednesdays (mornings only) as their schedule permits. There is always a quilt set up in the upstairs classroom - grab a friend and put in a few stitches anytime if you are unable to attend on Wednesdays. We also have a need for those who could cut patches and/or stitch patches together. These are not complicated patterns and could be done in your own home. ***Contact Ruth Cosand (215-766-3842) if you have any questions.***
