Primary Sunday School Needs

We are looking at creating 5 classes for the Primary Department and preschool aged children for the fall. We need persons to serve as teachers, or co-teach sharing the time and commitment with another person. Substitutes are also needed. If there is a particular age group you are more comfortable with please let us know.

Our curriculum “*Gather Round*” provides all the materials needed to fill the Sunday school hour. Each week has a story card, a teacher’s guide for each lesson with additional information about the story, questions to ask to get the children thinking and talking about the lesson, activity books for each child to explore the main points of the lesson, and additional activities, posters, games and crafts ideas to further explore the lesson.

Please consider serving by sharing your time with our children.

Thank you and God Bless.

Dear Congregation,

I want to express my deep appreciation to the DRE congregation for the “gift” of a 3-month pastoral sabbatical this summer. It was a wonderful time of rest, renewal, and refreshment! I am grateful to God for the “new strength” I experienced – spiritually, in family relationships, and in other learning. I look forward to sharing more about my sabbatical experiences with the congregation in future sermons, a post-sabbatical report that I am writing, and informal conversations with you. Also, I want to express a big “thank you” to the many people in the congregation who helped “carry the load” during my absence – Pastor Brent, Leadership Board, Elders, Pastoral Care Team, office staff, commissions/committees, guest preachers, and many other individuals in the congregation. I feel blessed to be a pastor of a congregation with so many gifted people, who are willing to serve!
