## **Budget Update from the Finance Committee**

The end of June marked the end of the third quarter of our fiscal year, the three quarter mark. At the beginning of the period there was a positive balance but at the end the balance is a negative \$13,986. The total receipts thru the period totaled \$409,005 and to reach our budget goal of \$563,990 the weekly giving will need to increase approximately 17% thru the end of September. Year to date our offerings are 8% greater than last year and our deficit is lower than last year all positive indicators that our goal is attainable. Please consider how you can increase your contribution in order to reach our budget goal and enabling the mission of our church and the Mennonite church programs around the world. Thank you for supporting our church budget with your money and supporting our church programs with your time and talents.
