**Alternate Sunday School Class July 7, 14, 21, 28** - Peaceful Living's mission is to create belonging for persons with disabilities within a faith-based community, and the driving force behind that mission is our belonging model. We believe that true belonging is composed of 4 important parts. The first part is companionship in the form of a sincere relationship built upon mutual trust and admiration. Membership in a welcoming community gives individuals an opportunity to thrive. A sincere appreciation for the enthusiasms individuals we serve offer to their community help them feel that they're contributing in their own special way. And finally Peaceful Living believes in caring for the whole individual by helping them live a life balanced in body, mind and spirit.
