A letter from Brian & Jen (Clemmer) Barnes:

As some of you know, God has broken our hearts for the orphans of this world and our current family feels incomplete. God has put it on our hearts that one of these orphans has been hand-selected to join our family through adoption.

A major mountain that we need to climb is acquiring the funds to support our adoption. An adoption from China will cost approximately \$26,000. As we move forward in faith, would you consider joining us in the work that God is doing? If God leads you to support our family, here are some ways that you can in the upcoming months:

**PRAYER** – We understand that not everyone can give a monetary donation, but would you consider supporting us in prayer? Please be praying that we would be open to God’s leading at every step, that our child is safe and loved while waiting for us.

**DONATION CONTAINERS** – Place a container in your home or workplace to collect spare change. We will be collecting the containers the beginning of August.. Please see Karen Clemmer if you would like a Donation Container.
