Litany

Leader: As we gather today, we celebrate the great diversity among our church family.

Children and Youth: We children and youth have excitement over life. But, we must look to adults for help in our areas of inexperience.

Adults: We were all children once. That is something which every one of us has in common. We may seem to forget, but we ask you to help us remember.

Older Adults: Much has changed in our lifetime and we hardly become adjusted to one change before another comes along.

Young Adults: But, you have laid the foundation upon which we were able to bring about change in our world. Without your experience and knowledge, we would not be able to find cure for diseases, develop new technology, grow more healthy food, travel the world, or bring community in new ways.

Older Adults: We want to continue to be active in the life of the church. Will you see that we continue to be useful in mission and that we have the opportunity to grow in our spirituality?

Congregation: Yes. We who are younger recognize that which you have given us and appreciate that which you will continue to give through kind words and example. We will look to you as you continue to grow through a creative elderhood.

Leader: Our God, we do thank you for your gift of diversity. We thank you for the heritage that these older people bring to us. Help us to support each other in our various life responsibilities. Help us to truly be the one body of Christ, the church. Amen.
