The Finance Committee and Leadership Board would like to thank the congregation for their generosity and support of the budget for the fiscal year ending September 30, 2012. We ended the year with a \$7,767 surplus which the Finance Committee and Leadership Board has recommended be given to Mission Commission to disburse. We are thankful for God's generous provision in our lives, and are grateful for the opportunity to share God's blessings with others by having the budget surplus distributed to various mission programs supported by the congregation.
