This is an update on the status of our budget giving as we approach the end of the budget year on 9/30/2013. Our budget offering last Sunday was \$17,881 which is a little over \$7,000 more than our weekly goal. In round numbers this reduced our budget giving deficit from \$28,000 to \$21,000. We thank the congregation for this extra giving, but want everyone to be aware of what is still needed. With one Sunday remaining in the budget year (today) we need budget offerings of approximately \$31,000 or over three times our typical weekly offering for the last week. Please prayerfully consider additional giving for the final Sunday of the Church budget year so that our budget goal can be met and mission programs can be fully or near fully funded.

Thank you from the *Finance Committee*
