As in past years, DRE will again be contributing to the **Spruce Lake Wilderness Camp Staff Assistance Program**. Each year the Staff Assistance Program provides an opportunity for young adults from the congregation to minister to children who attend Spruce Lake Wilderness Camp. This year five of our Deep Run East youth are dedicating their summer to this very important ministry:

**July 2011 MCC Material Resource Project: AIDS Caregiver Kits.** On April 3 more than one hundred people gathered at Zion Mennonite Church, for a *Take Your Place* benefit concert to raise money and AIDS Caregiver Kits for MCC. As people arrived, they brought kits their congregations had gathered. Kim Thiessen and Darryl Neustaetder Barg shared beautiful songs that encouraged the audience to "take their place" alongside caregivers and people living with HIV and AIDS. You too can help this effort by donating an AIDS Caregiver Kit to MCC.

Flyers listing the contents of the MCC Material Resource Project – AIDS Caregiver Kits, are on the bulletin board in the mailbox foyer.
