Bring your home grown produce to DRE (or any of the drop off locations) by 9:00 am Monday mornings starting July 11. Please see the flyers on church bulletin boards for more information and full list of drop off locations.

THANKS AND PRAISE

Thank you for your contribution to the Penny Power Project and for being part of the 2011 Penny Power effort. Throughout the world, people struggle to build peace in the way that Christ asked us as his disciples. Your contribution was added to the contributions of 168 congregations and individuals to reach a grand combined total of \$113,817 for this year's Penny Power Project.

We look forward to partnering again for Penny Power 2012 when the focus will be supporting Education projects through the Global Family Program (www.globalfamily.mcc.org). More than 70 million children worldwide don't have a chance to pursue an education and we can support communities in giving that opportunity to more children.

May you know Christ's presence as you serve God daily. Thanks for partnering with MCC in ministry.

Sincerely,
Grant Rissler, MCC East Coast

We are grateful for your recent contribution to help support the ministry of the Mennonite Historians of Eastern Pennsylvania. Congregational support is vital to us as we develop exhibits, programs, classes, and special events. Thank you for your commitment to this important work.

Sincerely,
Sarah Wolfgang Heffner, Director

On behalf of the Life With God Ministries board, I want to thank you for your gift to the work of the radio broadcast. Please continue to keep the broadcast in your prayers as we strive to be in the will of God.

David K. Kochsmeier, Radio Pastor
