SALT & LIGHT TESTIMONIES

Thank you to all of those who participated in **Salt & Light Weekend**. We had approximately 150 people participate (compared to 115 last year) in 20 different ministries/projects at DRE, and all around the community!

Here are a few testimonials from the weekend:

It was so great to see how enthused Nadia was to learn and know that we were all helping people with lesser advantages. We are so fortunate to be able to help other people, and by helping, we are serving Him.

Evelyn Nuneviller

I was amazed how all three ladies we visited, seemed to be truly satisfied, with their lives.

Nancy Leatherman

I enjoyed walking around Plumsteadville and praying for people we did not even know.

Joey Lopez

We had so many people and were able to do so much more than expected, truly God's hands at work!

Olivia Gemmell

I felt like we were walking the walk. It was awesome to work together with friends and family while helping out our community! God was at work!

Rich Ludwig

I appreciated how well the day came together. I would say God's providence was revealed after we started. And we had a productive day.

Jared Kulp

The Family Corner

"One of the best habits to get into is to stop referencing the church altogether. Say "We are going to worship together" this morning instead of "We are going to church". The latter builds a concept that church only happens on Sunday morning. The church is a people of God on the go for the kingdom twenty-four seven.. We don't go to church. We are the church. Everyday. Helping to change that nomenclature (classification) can change opinions too."
