The Family Corner

This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.

"Have you ever considered that the best gift you can give your children is a sense of enthusiasm for the things that you love? That's obviously-and most importantly- true in a spiritual sense; our main job as Christian parents is to pass along our faith. But it's also a wonderful thing for a parent to successfully transfer an appreciation for a hobby or sport to their kids.
