The Family Corner

This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.

Take a deep breath and look around. The wonder of God's creation is everywhere. It's immense, amazing, and given freely to us all. We have children who are curious and ready to explore. So let's discover and worship God together, deepen awareness of our place on earth. Let's help them trust the hand of the Maker. Let's teach our kids to shine in this world.
