2016 My Coins Count (Formerly Penny Power)

The My Coin Count will benefit MCC's Global Family Program. Global Family is an MCC program that supports education around the world. When you support Global Family program, your money helps the whole community, not just one child. Deep Run East's Penny Power Project collection **ends TODAY**.

On February 13th, Deep Run East held a special evening event for all married couples.

A total of 72 people enjoyed fellowship with friends, a delicious catered meal and a message title "Love is a Work of Heart" shared by Tom and Brenda Leister. It was exciting to have the couples listen and experience a growing opportunity within their covenant of marriage. It was a privilege to share in the intergenerational event. Thank you to all of those who helped to make this event possible and we appreciate all those couples who were able to attend. We hope you felt blessed by the experience. - Beth Davco

The Child Protection Committee is trying something new for a trial period. **Church**

doors will be locked for security purposes. We are asking that when dropping by church during preschool hours and normal church hours, you enter through the church office doors and use the buzzer to come in. This will help to accommodate for our new security procedures. If you should enter elsewhere in the church and unlock a door, please immediately lock it behind you when you enter.

Thank you, *DRE Child Protection Committee*

Would you consider helping to collect **grocery bags for people in need of food** in Philadelphia? This can be done in 3 different ways:

1. Pick up empty grocery bags from our facility and fill them with the contents listed on the side of the bag.
 2. Purchase already packed bags from Landis Market for \$25 each and bring them to our facility.
 3. Send a monetary contribution marked Grocery Bags to MCC Material Resource Center, 737 Hagey Center Dr., Unit C, Souderton, PA 18964 and we will purchase filled grocery bags with the money.
- Each month we supply approximately 50 grocery bags for distribution by MCC in Philadelphia.

The Family Corner

This corner of Living Streams will be dedicated to sharing, wisdom and information for our families.

"Children don't need stuff to be content, particularly if they grow up in a God-centered family."

"First, kids who learn a lot about God gain a healthy perspective on life. Specifically, they understand that life is not "all about me." In fact, life is all about God—which takes away a lot of pressure for individuals to impress others."

"And second, children who regularly hear that God desires a relationship with them and freely offers His love will realize they can have what they really want—which money just can't buy"
