Year of the Bible

Year of the Bible Reading Schedule

There is no reading schedule for this week. The weekly reading schedule will continue to be posted in the Living Streams.

If you would like the 2nd Quarter Reading Schedule packet so you can know what to read ahead of time, copies can be found in the mailbox foyer area on the Year of the Bible Table.

Theme Scripture Passage for April

Proverbs 3:5-6

Trust in the Lord with all your heart
and lean not on your own understanding;
in all your ways acknowledge him,
and he will make your paths straight.

The **Prayer calendar** to pray for our church during this Year of the Bible focus can be found in the mailbox foyer area. More than one person or family may sign-up for a day or for as many days as you would like to pray specifically for God to be moving among us.

Congregational Announcements will be highlighted on the video projection system each Sunday prior to worship. They will be projected until approximately 8:57 a.m., allowing some time to prayerfully prepare our hearts and minds for worship, beginning at 9:00 a.m. The video projection of announcements prior to worship is intended to reduce the amount of verbal announcements during the worship service. Congregational announcements will continue to be published weekly in Living Streams. If you have any questions, or feedback, regarding this change, please contact a member of Worship Commission.

CLOSE TO HOME Resources

Deep Run East provides a series of helpful pamphlets that are designed to help Christian caregivers invite others to journey toward wholeness. Each pamphlet includes a story of someone who has moved toward healing; basic information about the issue; an explanation of how the Bible and the Christian story address the issue, and encouragement and the next steps on who to talk to and what questions to ask. Some of the topics are: Eating Disorders, PTSD, Dementia, Depression, Electronic addiction, Marital discord, Overwhelming debt and more... Look for them in the church entrance and vestibule areas.
