Vegetable Basket

Starts soon!

*"Blessed are the merciful
for they shall receive mercy."*

Sharing our garden produce is a way we can show love, kindness, and care for those who are in need. If you don't have any vegetables to share, but would like to give in another way, **could you be a driver?** We need people who are willing to take the produce from DRE to Care and Share, one Monday during the months of July, August, and September. Please contact Herb & Miriam Leatherman by email herb.mir@verizon.net or phone 215-766-8535 if you can serve in this way. **Pick-ups Mondays at DRE will be between 8:45 & 9 am** (No pick-up on Labor Day)

Deep Run East will be on the Mennonite World Conference tour route on July 20th.

The tour will stop here to have their lunch. We are looking for a few volunteers to help with ordering the food, picking it up, setting up the buffet tables and cleaning up. If you would like to be part of the Deep Run East Hospitality that day to welcome and serve our guests lunch, **please email or call the church office.** We only need 2 or 3 people to help and there will be small compensation.

Deep Run East Preschool is looking to hire a permanent *substitute teaching assistant*.

The position would be one day a week with a rotating schedule of Monday, Wednesday, or Friday. The schedule would be posted four months in advance so you could plan your schedule accordingly. Please contact Kristen Yoder at yoderfamily6@verizon.net or (215)249-0124 if interested in more information about this position.

A picnic will be held on
August 6th at 11:30 AM

This is for all women interested in attending a Fall Bible Study. We will be choosing a topic to use and planning dates and times for the study. Please come and join us for lunch and fellowship. More details will be announced as the Summer progresses.

Classes June 7th through July 19th.

You don't want to miss it!
Handouts & recordings of the class are available.

This alternative Sunday School series will begin with a personal testimony about how an evangelical scientist deals with questions about science and faith. **The class will be a series of six discussions** covering topics including how we should read the book of Genesis, the age of the earth, the Big Bang, creation of life, and evolution. See flyer in foyer areas for more information! **The class will be meeting in the sanctuary.**
