To all incoming 6th graders and those not participating in the Mentor Program (grades 7th through 12th)- if you'd like to try out our ***Mentor Program*** for a year please contact Terri Nyce. This is an excellent way to get to know other adults in our congregation; to have another person in your corner; to do fun activities with someone (besides your family). There is only a one year commitment at a time. **Please contact me by August 21st so we are ready to start by the beginning of the school year. Thanks! Terri Nyce**

The Family Corner

From Boundaries With Kids by Dr. Henry Cloud and Dr. John Townsend

“The ultimate boundary is love. Our connection with each other and with God is the fabric that holds life together. Everything is ultimately about relationship. As Jesus said, all of the ‘boundaries’ in the world can be summed up in these two laws: “Love God” and “Love your neighbor as yourself.” For this reason, your child must learn to take his feelings, fears, thoughts, desires, and all of his other experiences into relationship. And if there is conflict having to do with a specific person, they need to work it out with that person whenever possible.”
