To all incoming 6th graders and those not participating in the Mentor Program (grades 7th through 12th)- if you'd like to try out our **Mentor Program** for a year please contact Terri Nyce. This is an excellent way to get to know other adults in our congregation; to have another person in your corner; to do fun activities with someone (besides your family). There is only a one year commitment at a time. **Please contact Terri Nyce by TODAY** so we are ready to start by the beginning of the school year.

Thanks! Terri Nyce

“Get to know the HEROS of our faith! People are always telling your children what they should do with their lives. Kids are bombarded with enticing dollar signs, prestige, and power. Help them keep their feet on the ground and their mind pointed toward eternity by setting aside time to read about those who answered God’s call for their lives.”

Thanks to the congregation for your generosity throughout the fiscal year. To affirm the finance committee's commitment to increased communication with the church this year, we just want to confirm that currently receipts are behind where we projected them to be thus far in the fiscal year. In the coming weeks the finance committee will be providing you with our best estimate of the amount needed to meet the budget but at this time, Our hope and prayer is that we can come together as a congregation and fully fund the budget this year. *The Finance Committee*
