On behalf of my sister and our entire family, we want to **thank each of you** for your prayers for Sue Kade over these past few weeks. God has been gracious in providing us with such a close knit community of believers who are willing to lift all our cares and concerns in prayer, and you all certainly did that for Sue. She saw her surgeon this past week and has been given a clean bill of health. She is now able to return to work, drive and begin a more normal life. God has transformed all of us from this experience and we will always honor Him for the gift of Sue's recovery. We are grateful to all of you as you prayed us through this trial in our family.

God's Blessing to You,
The Detweiler, Koch and Kade Families
