If you have an anniversary milestone this year please note that as well. They will only be made available for correction until November 10th! Dear Deep Run East,
We want to thank you for extending to us the wonderful blessing of sabbatical for the past three months. We experienced renewal, rest, and wonderful time spent together as a family. We are so grateful for the love and care of this congregation to its pastors and their families, and we are so glad to be back among our church family once again!

In Christ, *The Camilleri Family*

Thank you for helping us to reach our fundraising goal this past year and helping us to prepare to meet the needs of urban students this upcoming school year. Graciously, Dr. Barbara Moses, *Principal of Philadelphia Mennonite High School*

This week, one year ago, Hurricane Sandy devastated the Northeast. This week you will likely be hearing national news coverage about recovery delays and people who are still waiting to settle insurance claims and rebuild their homes. MDS leaders have been involved in coordination discussions with the New York City Mayor's Office, there is a lot of goodwill among all agencies to work toward the common goal of recovery. We're pleased that MDS volunteers have accomplished so much in spite of the challenges! And we know there is still much work to do. **Thank you** for your contributions that have supported the recovery, rebuilding and restoring of lives battered by Hurricane Sandy.

Kevin King,

Executive Director of Mennonite Disaster Service

Dear Deep Run East Church,

Thank you for your sympathy and support during our time of loss. Your kindness and generous gift to help us through the hard times following Marty's death and assistance has helped alleviate the pressure of so many mounting bills and fixing 4 of the appliances that had broken within 4 days of his death. Words cannot express my feelings of gratefulness. Marty would have been overwhelmed with the support and love from his surrounded communities, friends and family that was shown.

Sincerely, Katherine Hepburn and family

Dear Deep Run East Church,

We are so grateful for the use of your church building and for the many hands that help us plan and execute this Gift Festival and Rug Event every year! Thankfully the rug sales increased nicely this year, and we made a difference in all our artisans lives once again. You are a key player in our mission for sustainability and support of these wonderful people in developing nations. We hope your holidays are blessed as you have blessed others, completely.

Sincerely,

Bonnie Moyer and staff, volunteers and the Ten Thousand Village corporate offices.
