**Penny Power!**

MCC's Global Family education sponsorship program supports and improves schools such as Khumbula Secondary School in rural Zimbabwe. Students who succeed find new opportunities, not just for themselves but for their families. You are helping to make it possible for students to go on to secondary school by donating to the Penny Power Project.

Faith & Membership Exploration Class in the Fall

We generally have a Faith & Membership Exploration class in the Spring of each year, which meets during Sunday School, for persons interested in exploring baptism and church membership. Due to an upcoming Sunday School elective on hospitality during the season of Lent, our **Faith & Membership Exploration class will be held in the Fall of 2012**. However, for any persons sensing God's leading to explore baptism and membership at DRE right now, rather than waiting until Fall, please see Pastor Ken, Pastor Brent, or an elder....so, that we can work out a way to honor this leading of God in your life.
