Deep Run East's Penny Power Project
collection will run **until March 10, 2013.**

Drip Irrigation Systems deliver water to growing plants, one drop at a time. Low-pressure gravity-fed water moves from the bucket through the hose, finding its way through attached micro tubes to the base of each plant. MCC helps communities find irrigation solutions!

Please bring your coins weekly. Jugs have been set around at several locations in the church building.

Feeding the Hungry - MCC Mobile Meat Canner

For the 2012-2013 MCC Canner Project, we will be operating the mobile canner on March 25th, 26th and 27th at MCC Material Resource Center from 6am-7pm. Contributions may be made payable to "MCC Canner Project" and mailed to the MCC Material Resource Center, 737 Hagey Center Drive, Unit C, Souderton, PA 18964. If you are interested in volunteering call Glenn Moyer at 215-723-0888.

Update on Rental House Across the Street

As of this past week, the house across the street is being occupied by a tenant, on a temporary short-term basis. If you have any questions, please contact Don Nice (Chair of Elders), Daryl Hackman (LB Chair), Pastor Ken or Pastor Brent.

2012 offering reports were distributed in mailboxes last week. Questions see Kelly Rice or Mary G. Clemens.

DRE Sewing Circle is grateful for the many hours contributed by Tina Yunger, Anna Detweiler, Margaret Leatherman, Lenore Kulp, Ruth Derstine, Anna Rice, Mary Rice, Della Leatherman, Irma Detweiler, Ruth Gahman, Ruth Yothers, Dorothy Leatherman and also those who have already gone on to their eternal reward, but the time has come when they can no longer sit and quilt or knot. The absence of these ladies from our sewing circle has left huge holes. Therefore, we could use some more help.

Sewing Circle meets the second Wednesday of each month from about 8:30 AM - 2:30 PM. You are invited to bring a brown bag lunch and join us for the noon meal but you are not required to spend the whole day. Knotters make comforters which are delivered to the Resource Center in Harleysville for distribution as needed around the world. If you can stick a needle through fabric and tie a simple knot, you are qualified to be a knoter. Quilters are stitching on Sewing Circle Day and there are some who stitch on most other Wednesdays (mornings only) as their schedule permits. There is always a quilt set up in the upstairs classroom - grab a friend and put in a few stitches anytime if you are unable to attend on Wednesdays. We also have a need for those who could cut patches and/or stitch patches together. These are not complicated patterns and could be done in your own home.

Contact Ruth Cosand (215-766-3842) if you have any questions.
