**Still Needed:** The junior high youth will be making fleece blankets for Project Linus ([www.projectlinus.org](http://www.projectlinus.org)) this summer during Bible School. We would love to have money donations because we found websites giving bigger discounts (than Joann's or Michael's) OR "pieces of fleece that are 48 x 68 or 53 x 80". All blankets will be given to kids in area hospitals. There is a box underneath the coat rack outside the office area. Monetary donations can be placed in Terri Nyce's church mailbox (please mark the envelope "Project Linus"). Thank you!!

### Shaping Families

June 16, 2012

#### A Family Business

Doug and Polly White, authors of a book on business, *Let Go to Grow*, talk about how to run a family business, and also the challenges of raising a family. Listen at 10:00 am on WBYN 1160 AM, or visit [www.ShapingFamilies.com](http://www.ShapingFamilies.com) the weekend the program airs to download a podcast or the transcript.

**Notice:** The Flower calendar has been temporarily moved to the side wall by the mailboxes in front of the prayer room.

It is that time of year again - **we need to clean the refrigerators and freezers in the Gym kitchen and in the Basement.** They will be cleaned this Monday or Tuesday. To claim your items put it in a area of the refrigerator, put your name/group/committee on a paper and use a rubber band or tape to attach it to your items. Thanks!

**Host Families Needed!** People Link is looking for host families for male and female middle-school Chinese exchange students this summer. Students will be in town from Thursday, July 19th to Friday, August 3rd. Host families do not need to provide rides to and from the airport. They will just need to pick up the students on Thursday from the Quakertown Library and drop them off there on the last Friday. Host families will be reimbursed \$20/night for hosting one student and \$30/night for hosting two students. Feel free to visit [www.peoplelink.org](http://www.peoplelink.org) for more information.
