Children Without Choices

CWC was founded to help children who have no access to medical or social services. Often we find these children while on mission trips with MAMA Project and other non profits who do not have the resources to take on these cases so we step in to help. To see some of the stories of children CWC has helped, pick up a pamphlet in the mailbox foyer area.

Salt and Light Day, Saturday Sept 14

Please be thinking about projects for our Salt & Light community service day. Look for Mission Commission members to visit your SS class to discuss further!

SUMMER SUNDAY WORSHIP SERVICE

With the balcony being “closed off” two Sundays ago for the special service led by the JMYF, and everyone sitting on the “main floor,” did you notice some of the benefits of this? Did you notice how the congregational singing seems stronger with everyone sitting closer together? Did you notice how we had the opportunity to see and interact with people of all ages, that we may not normally get to? While the balcony is not officially closed off anymore, the congregation is encouraged to sit on the main floor for Sunday morning worship. Consider the benefits of having a fresh vantage point!

Vegetable Basket Program offers communities harvesting hope! If you have a home garden or extra produce, share your vegetables and help those in need. The program will **start Monday, July 8th** and run until October. You can drop off produce at Deep Run East every Monday before 9:00 am. The produce can be dropped off by the inside entranceway going to the basement.

4 Week Alternative Sunday School Class—Coming JULY

The ***Sunday School elective class*** for the month of July is entitled Peaceful Living. It will address ways our congregation and community can identify, welcome, and include all people who struggle with a disability. The class will learn about the history of advocacy for those affected by disability, disability awareness and advocacy in the congregation today, understanding intellectual disability and autism, and creating belonging for individuals affected by disability within the faith community.

Youth Ministry

Jr. High Parents! We are still in need of parents willing to do Sunday school for the Jr. High students. If you are able to do a Sunday please see Terri Nyce.

Thank you

Looking for Volunteers - Primary Sunday School

We have a wonderful group of children waiting to meet you this Summer in the **Primary Sunday School program**. You will be provided with a teachers guide, story card and additional materials for activities related to the story. We would like two adults to volunteer for each week. We encourage you to use this time to meet and get to know our most precious resource, our children. Please see Linda Kolva or Bonnie Hockman for list of dates available to volunteer. Starting June 2nd to September 1st.

Franconia Conference Announcements

Waging Peace: Muslim and Christian Alternatives documentary produced by MennoMedia on behalf of the Mennonite churches is airing on NBC-TV from June 23 through November at the discretion of local NBC affiliates. Check Interfaith Broadcasting <http://www.interfaithbroadcasting.com/program.aspx?PID=383> to find local listings with time and date. The program examines courageous threads of peace quietly being sown around the world. For more information on the DVD, visit store.mennomedia.org/

In September **Philadelphia Praise Center** will start an after school program that will help immigrants, most of them coming from low income families. Philadelphia Praise Center needs about **40-45 used laptops**, for the kids doing their homework. Can you help? Maybe you have a new or gently used laptop you would be willing to donate. Contact Pastor Aldo at siahaan22@gmail.com.

Do you ever wonder what is going on in Franconia Mennonite Conference? Have you tried to remember the date of an upcoming Conference activity? If you have, the Franconia Mennonite Conference online calendar may be helpful. As Congregations and Conference Related Ministries inform us of events they are hosting, we post them on our web page. Visit <http://franconiaconference.org/media/franconia-conference-calendar/> and check in on the fun!
