4 Week Alternative Sunday School Class—Coming JULY

The **Sunday School elective class** for the month of July is entitled Peaceful Living. It will address ways our congregation and community can identify, welcome, and include all people who struggle with a disability. The class will learn about the history of advocacy for those affected by disability, disability awareness and advocacy in the congregation today, understanding intellectual disability and autism, and creating belonging for individuals affected by disability within the faith community.

A Friendly Reminder if using dishes or utensils in the kitchen, please be sure to wash them before you leave. There has been a few times where the dirty utensils or dishes have been left out after church on Sunday's and it is attracting the ants.

Thank you.

Leadership Board & Elder Nominations

We encourage congregation members to submit nominations for the role of Leadership Board member and Elder. Nomination forms were put in mailboxes today. The box to submit your nominations is located in the mailbox foyer area. Forms should be placed in the nomination box by **June 30th.**
