Vegetable Basket Program offers communities harvesting hope! If you have a home garden or extra produce, share your vegetables and help those in need. The program **started Monday, July 8th** and will run until October. You can drop off produce at Deep Run East every Monday before 9:00 am. The produce can be dropped off by the inside entranceway going to the basement.

Any **volunteers** to help with delivering the vegetables from DRE to Souderton? The vegetable basket runs July 8 through the end of Sept. If you could drive for even one of the those Mondays, I'd appreciate it. It's a great way to see the wonderful produce we are sharing with those in need. Thanks! e-mail: rsswartley@verizon.net

Many, **MANY thanks to all of our volunteers** who made our week of Vacation Bible School possible! We had about 165 energetic kids attend VBS each day and received lots of positive feedback from our community. The children collected a total of \$2500 for The Water Project and will be able to follow “their” well through photos and field reports as it is constructed. We are excited to see their money at work!
