### Vegetable Basket Program

offers communities harvesting hope! If you have a home garden or extra produce, share your vegetables and help those in need. The program will **start tomorrow Monday, July 8th** and run until October. You can drop off produce at Deep Run East every Monday before 9:00 am. The produce can be dropped off by the inside entranceway going to the basement.

Any **volunteers** to help with **delivering the vegetables** from DRE to Souderton? The vegetable basket runs July 8 through the end of Sept. If you could drive for even one of the those Mondays, I'd appreciate it. It's a great way to see the wonderful produce we are sharing with those in need. Thanks! e-mail: [rsswartley@verizon.net](mailto:rsswartley@verizon.net)

### MAILBOXES HAVE CHANGED

Church mailboxes are getting a makeover. Over the next week the mailbox name tags will be replaced and re-organized. When you return to church on July 14th please watch for the location of your mailbox and be sure you are taking the correct mail.

Thank you for your understanding as we may have slightly moved your mailbox to a new location.

Global Family, MCC's education support program, helps thousands of children and young adults around the world with **nearly 100 education programs** in over 40 countries. In the US, it costs about \$30 per day to send a child to school, but through Global Family, five children get a good education for less than \$1 per day. For \$25 per month, you, your family or your church group can become a Global Family supporter.
