New Ten Commandments Sunday School Study

A new book study started last Sunday on "10 Laws of Love Written in Stone" by J. John. It is a study on the ten commandments. If you have questions about this Sunday school study see Joel Kempf. The SS class will be held in room #303.

We would like to **thank you** for your very generous donation. Your support will enable us, along with our partners, to provide clean water in an African community for years and years to come. We hope you continue to be a part of the story as it unfolds by staying connected through our website www.thewaterproject.org

Vegetable Basket Program—If you have a home garden or extra produce, share your vegetables and help those in need. You can drop off produce at Deep Run East every Monday *before 9:00 am*. The produce can be dropped off by the inside entranceway going to the basement. Any **volunteers** to help with delivering the vegetables from DRE to Souderton? The vegetable basket runs until the end of Sept. If you could drive for even one of the those Mondays, I'd appreciate it. *Thanks! Ruth Swartley* e-mail: rsswartley@verizon.net
